

Kanbanery Cookies Policy

We gather and use your cookies in Google Analytics, Twitter widget and internal Kanbanery authentication system. Cookies are simple text files. They are needed to help navigate automatic logins, password authentication, shopping cart functions, personal preference settings and a variety of other functions. Cookies make these functions smooth and hassle-free to the user.

Google Analytics is a service offered by Google that generates detailed statistics about a website's traffic and traffic sources and measures conversions and sales.

Twitter widget is a code that shows recent tweets from our Twitter account on our site.

Internal Kanbanery authentication system is responsible for handling your session while you're logged in into our system.

Almost all of the modern browsers allow you to refuse to accept cookies, by selecting the appropriate option in browser's settings.

If you're okay with this, carry on with browsing. If not, the EU says you may leave. We'd hate to see you go, though.
